

Directions

From I-30—take Cooper Street South:

- Take Cooper Street South—go about 2.5 miles (from I-30)
- Left on W. Mitchell Street—go one block
- Left on West Street—go one block
- Left on S. Nedderman (no sign)—go ½ block
- Right on Planetarium Place.
- Drop the students off in the circle in front of the Chemistry and Physics Building.
- For individual chaperones and parents who are driving separately, please park in the Public Parking Garage. See the enclosed map for location. You may enter from either side, and exit onto West Street (on the east side of the Parking Garage). There is a small fee for parking in this lot during M-F. The Parking Garage accepts cash only. Please bring pink parking tickets to the Planetarium ticket booth to be stamped for a discounted parking rate.

From I-20—take Cooper Street North:

- Take Cooper Street North—go about 2.5 miles (from I-20)
- Right on S. Nedderman—go 1 block
- Left on Planetarium Place.
- Drop the students off in the circle in front of the Chemistry and Physics Building.
- For individual chaperones and parents who are driving separately, please park in the Public Parking Garage. See the enclosed map for location. You may enter from either side, and exit onto West Street (on the east side of the Parking Garage). There is a small fee for parking in this lot during M-F. The Parking Garage accepts cash only. Please bring pink parking tickets to the Planetarium ticket booth to be stamped for a discounted parking rate.
